

"One of the things we want to do well at Lighthouse is care for each other. The Bible gives specific instruction to care for the elderly and widows. This is important to do all the time but especially in our Bruce County winters when some of our people find it harder to get out to church. We would like to put together a team to help care for them by visiting on a regular basis. The purpose of the visit would be to get an update on their health and welfare (especially when they have not been able to be at church for some time), provide an update on what is happening in our church, and also make sure they are being cared for. If they have any needs like meals or snow shoveling or small projects around the house, we as a church would like to be able to help them. There are many people within our church family who have the talents and gifts to help but need to know what the needs are.

The visits also provide an opportunity for our shut-ins to build relationships other people in our church and to be prayed for. Bill Subject is our deacon of member care. He is going to head up this project and coordinate it so that each person gets cared for. If you would be able to visit with one of our shut-ins, please speak to or email Bill (subjectcb@bmts.com)."

There will be a short meeting after church on Sunday March 22 for anyone who would like to serve in the Seniors Caring Ministry or is interested in learning more about it.

We would like to support the Tuck family (Harold, Rose and Izzy) by providing them with some meals over the next weeks. Cheryl Subject is coordinating with Rose to optimize timing and menu planning (as there are some special needs to keep in mind). If you are able to help, please contact Cheryl, (subjectcb@bmts.com), 519-396-3656 or cell, 519-524-3330 to coordinate arrangements.

We can now accept e-transfers here at Lighthouse. If you would like to use this service to give money to the church, just sent the e-transfer to the church email: kincardinelfbc@gmail.com Speak to Wayne Koch if you would like more information.

“Let my teaching fall like rain and my words descend like dew, like showers on new grass, like abundant rain on tender plants”.
Deuteronomy 32:2

We ask that we respect and care for one another in the midst of the Corona Virus. If you feel unwell, please take care of yourself and stay home ... as well as letting us know so we can pray for you and care for you. We also ask that you continue to pray for the current situation for our church, our community, our country and our world.
